TUESDAY, APRIL 14, 1896
PERSONAL AND LOCAL.

—Will S. Beckwith, freight brake-
man on the Ohio River railroad, met
with a bad accident Sunday night
while coupling cars at Millwood. His

torium by the Hibernian Dramatic
Club. Between 400 and 500 tickets
have been sold in this city and several
hundred more in Marietta.—Parkers-
burg Journal.

seriously ill for several weeks, is im-
proving slowly, much to the gratifica-

be even more costly than at first con-
templated. The structural iron work
will be made by the Penn Bridge Com-
pany, the Boiler Works Company erect-
ing the foundation themselves. Work
on the plant will begin in a few days.
It is stated that the contract for the

Everybody is invited.

—The beautiful play "Shamrock and

Bad dreams dis-
tress the man whose
digestion is out of
order. Constipation
creates more dreams
than are in the infer-
nal regions. People
who are troubled with
constipation sleep
badly and restlessly.
Sometimes they can-
not sleep at all, and
when they do sleep,
the dreams come. It
doesn't take so very
long to wear a man
out with that sort of
thing. He gets up
in the morning feel-
ing worse than he
did when he went
to bed. He is listless and without energy.
The chances are he is dizzy, has "heart-
burn," palpitation, sees black spots be-
fore his eyes, has headache and is bilious.
What nonsense it is to let a condition of
that sort continue. Nine-tenths of all
the sickness in the world comes from
constipation and neglect of it. It is a
simple thing to cure if you get about it
right. It's a bad thing and a serious thing
if you don't take the right medicine. Dr.
Pierce's Pleasant Pellets are designed for
the cure of constipation. The "Pellets"
are tiny, sugar-coated granules. One is
a laxative, two a mild cathartic. Every-
body who has ever used them has a good
word for them. They have prevented
more serious illness than any other
remedy ever sold. Druggists sell them,
and an honest druggist will not try to
sell you something else.
Dr. Pierce's Common Sense Medical Ad-
viser is the greatest family doctor book ever
published. It explains human physiology
and the laws of life and health in plain yet
scientific language. It has had a tremen-
dous sale; 68,000 copies at \$1.50 each, bound
in cloth. The present free edition is the
same in all respects except that it is bound
in strong manila paper covers. A copy will
be absolutely given away to anyone who
sends 21 one-cent stamps to pay cost of
mailing only, to World's Dispensary Medi-
cal Association, No. 663 Main Street,
Buffalo, N. Y.
